

HOWDY! GET TO KNOW US

Birdy & Pretzels Crate Co. is the brainchild of..

Audrey & Lindsey.

We are Entrepreneurs & Mothers, Bakers & Friends, Classy & Hometown, Laidback & Highclass, Bold & Colorful, Spirited & Generous, Polite & Fluent in four letter words. But everything we are wouldn't be possible without the amazing, supportive, very very patient men in our lives.

Born and raised in southern Oklahoma, we built a hometown restaurant and bakery from the ground up—learning the craft through 11 years of hands-on experience. Eventually, we craved more time for our families, our pups, for traveling, eating, and drinking and that's how Birdy & Pretzels was imagined.

Now, we're sharing our restaurant and bakery know-how to help you create impressive baked goods in less time, with minimal cleanup, and more joy around the table!
